Irish Songs and Stories for St. Patrick's Day

Wednesday, March 17, 7:00 pm

Join performer Kate Chadbourne for an evening of songs and stories. The stories she tells are mainly Irish folktales and medieval legends, often embellished with harp accompaniment. In her musical life Kate Chadbourne travels between the world of Irish traditional music and the worlds she imagines and creates in her original songs for voice, piano, Irish flute, whistle and harp. She is also a published poet and essayist and has a PhD in Celtic from Harvard. This exciting performance is free and open to the public.
