### Documents

#### Minutes:

Sue Carron Children have land along Old Nourse Rd. The land has no frontage on Main St. Would like to know if Old Nourse Rd is a town road.

J. Hargraves explains that if it is not a town road she would need to apply to construct a road under subdivision control in order to create frontage.

Chris Ryan introduces himself as new Land Use Agent. Gives brief background. Will be working on unified permitting. He would like to document current process, create a framework for a permitting process and then implement gradually.
